Watch the AWPA website for updated information on the 2006 AWPA Fall Technical Meetings at www.awpa.com/meetings/technical/boise.asp. Proposals to be considered and meeting agendas will be posted to the appropriate committee page in the members' section of the AWPA website as they are received.

Proposals for new standards or revision, reaffirmation or deletion of existing standards must be received at least 45 days prior to the commencement of the Fall Technical Meetings. This year, the deadline for all proposals is July 27, 2007. All comments or suggested modifications to proposals should be sent to the proponent at least 20 days prior to the commencement of the subcommittee meeting.

Accommodations for the meetings this year will be at The Grove Hotel in downtown Boise. A block of rooms is being held for the conference at a rate of \$100 (single/double, plus tax). Other guestroom types are available at discounted conference rates. You may inquire about other room types when making your reservations.

To receive the AWPA conference rate, reservations must be made by August 7, 2007. Please make hotel reservations early to ensure room availability.

Reservations may also be made via the internet. Please visit www.awpa.com/meetings/technical/boise.asp and click the link for hotel reservations. The Grove Hotel is located on the Plaza in the center of Boise and in easy walking distance of many restaurants, shops, and nightlife. For more information on Boise attractions, visit the Convention and Visitors Bureau website at www.boise.org.

Although you may find more economical lodging elsewhere, AWPA encourages you to make reservations with The Grove Hotel. AWPA receives discounts and complimentary function space based upon the number of sleeping rooms occupied at the host hotel. If we fulfill our room block obligation with the hotel, AWPA's costs are reduced and we, in turn, are able to keep meeting registration fees at relatively low rates.
