Proceedings of the 122nd Annual Meeting of the American Wood Protection Association

Tuesday, April 28, 2026

OPENING SESSION

Welcome – Paul Merrick	3
Invocation – Kevin Ragon	3
Member Recognition – Paul Merrick	3
Organizational Sponsor Recognition – Paul Merrick	3
2026 Pickler's Prance 5K Fun Run/Walk Results – Jeff Morrell	6
2026 Hacker's Classic Golf Results and Awards – Doug Herdman.....	6
2026 Award of Merit Presentation – Hollis Ervin	7
AWPA Award of Merit Honoree – Tim Carey	8
Protectant/Preservative General Committee Report – Joe Pennock	11
Treatments General Committee Report – Steve Lish	12
Vice President's Remarks – David Jones	14
President's Remarks – Paul Merrick.....	15

BUSINESS SESSION

Call to Order, Approval of Minutes – Paul Merrick	17
Antitrust Reminder – Nicole Butler.....	17
Treasurer's Report – Jonathan Moyes	17
Membership Report – Grant Kirker.....	18
Resolutions Committee Report – Connor Burke	18
Executive Committee Changes – Paul Merrick	19
General Election Results – Paul Merrick.....	19
Executive Committee Installation – Paul Merrick.....	19

Colley/Hartford Memorial Lecture and Keynote Address

Colley/Hartford Memorial Lecture

Wood as a Green Resource: Leadership for All 3 Dimensions of Sustainability – Kathryn Fernholz	22
--	----

Keynote Address

Durability and Extension of Life in Outdoor WOOD Structures – The Old Stays New! – Dan Tingley	26
--	----

TECHNICAL SESSION 1

NHLA 1 st Annual Report on the North American Thermally Modified Wood Market 2025 – Sailesh Adhikari, Dallin Brooks	28
--	----

TECHNICAL SESSION 2

Research Symposium

Moisture Analysis of Southern Pine in Timber-Concrete Composites During Concrete Curing – Joel Wallace, Ian Morrell.....	44
A Laboratory Study on DCOI Decomposition and Extraction from Three Oregon Soils – Gerald Presley, Matthew Konkler	52
Preliminary Modelling of DCOI Migration from Douglas-fir Decking – Matthew Konkler, Gerald Presley, Jeffrey Morrell.....	59
Evaluation of Physical and Mechanical Properties of Three Thermally Modified U.S. Wood Species (Abstract) – Anjila Lamichhane, Brunela Pollastreli Rodrigues	66
Integrating Boron-Based Protection in Framing and CLT for Minimizing Carbon Footprint, Reducing Cost, and Improving Consumer Protection – Jeff Lloyd, Ryan De Mars, Cameron Carr.....	67
Time of Flight Evaluation of Preservative-treated Field-exposed Glue Laminated Timber Specimens – Aleria Story, Laya Khademibami, Bryan Casillas, Rubin Shmulsky	84
Effect of Five Treatments on Three U.S. Softwood Species to Prevent Termite Damage in Thailand – Charunee Vongkaluang, Wattanasak Lertlumnaphakul, Amonrat Panthawong, Kent Wheeler, Jeffrey Morrell, Michael VonPinnon, Butch Bernhardt.....	92
Development of a North American Industry Standard for Thermally Modified Wood (Abstract) – Sailesh Adhikari, Dallin Brooks, Dana Spessert.....	98
Use of the Multi-Chamber Modular Environmental Conditioning System (MCMEC) as a Tool for Accelerated Weathering – Sarath Vega Gutierrez, Scott Leavengood	99
Durability Testing of Pressure-Treated Domestic Hardwoods in the Tropical Rainforest: 5 th Year Update (Abstract) – Xinfeng Xie, Glenn Larkin, Grant Kirker, Xiping Wang, Nathan Kamprath, Sebastian Karwaczynski.....	107
Effect of Toluene-Diluted Creosote Retention on Surface Wettability and Water Ingress of Sweetgum (<i>Liquidambar styraciflua</i>) During Accelerated Weathering – Ershad Ahmmed, Jason Street, A.L. Rowlen, Kevin Ragon.....	108
Continued Evaluation of Mold Treatments for Wood Based Military Packaging in Storage – Rachel Arango, Grant Kirker, Katie Ohno, Amy Bishell, Patrick Dewald.....	116

Wednesday, April 29, 2026

TECHNICAL SESSION 3

FEMA Flood Zone Regulations & Residential Treated Wood Products

Resiliency of Treated Wood Products to Flooding and Natural Disasters – Grant Kirker	124
Pre-treatments of Building Materials Exposed to Potential Flood Zones (Abstract) – Chris Barber.....	127
Protecting Homes and Health from Moisture after a Flood – Jeff Lloyd, Brittany Poe.....	128

TECHNICAL SESSION 4

Resiliency of Non-Residential Treated Wood Products to Natural Disasters

Building Resilience into Treated Wood Poles – Richard George.....	136
Wood Railroad Ties and Timber Resiliency in Natural Disasters (Abstract) – Nate Irby	148
γ -PGA as a Sustainable Biopolymer for Wood Protection against Fire and Fungal Degradation – Emmanuel Osei-Bonsu, Lili Cai.....	149

TECHNICAL SESSION 5

Quality Control

How Are You Maintaining Your Curves? (Abstract) – David Jones.....	160
Wood Happens: Managing Variability in the Real World (Abstract) – Kim Merritt.....	161
Quality Control & Inspection of Wood Utility Products (Abstract) – Will Cox.....	162
Wood Ties: AWPAs Quality Approach to Wood Used on Railroads (Abstract) – Nate Irby	163

TECHNICAL SESSION 6

Innovations in Wood Preservation

Technological Advances in Wood Protection (Abstract) – Stephen Uphill.....	166
Freshwater Migration of Polycyclic Aromatic Hydrocarbons (PAHs) from Creosote Commodities at the Laboratory Scale – Kaelin Quigley	167
Portable Methods for the Analysis and Characterization of Treated-Wood Products (Abstract) – Glenn Larkin	177
Developing Mass Timber Inspection Methodology for Early Decay Detection Using Resistance Drilling Data and Artificial Intelligence – Opeyemi Odule, Gerald Presley, Mariapaola Riggio, Laurence Schimleck, Vahid Nasir	178
Beyond the Retort: What’s Coming to Plant Operations and Why It Matters – Rick Embry.....	190
Paired Sample Above Ground Termite Test Method – Paul Merrick and Ed Nichenko	193
Durability Enhancement of Wood Using Acidified Whey: A Promising Alternative to Conventional Biocides – Assira Keralta, Jérémy Winninger, Véronique Landry, Johannes Karthäuser, Holger Militz, Lucy Martin, Julien Chamberland, Marie-Josée Dumont	198

TECHNICAL SESSION 7

An AWPAs Workshop: Understanding and Applying the AWPAs Visual Rating Scale (Abstract) – Glenn Larkin.....	208
--	-----

AWPA Technical and Special Committees

Report of Technical Committee P-1	210
Report of Technical Committee P-3	211

Report of Technical Committee P-4	213
Report of Technical Committee P-5	215
Report of Technical Committee P-6	219
Report of Technical Committee P-9	221
Report of Technical Committee T-1	222
Report of Technical Committee T-2	223
Report of Technical Committee T-3	225
Report of Technical Committee T-4	226
Report of Technical Committee T-7	227
Report of Technical Committee T-8	229
Report of Special Committee S-2	230
Report of Special Committee S-3	232
Report of Special Committee S-8	233
Technical and Special Committee Membership	234
AWPA Technical Committee Regulations (January 2026)	239
Attendees of the 2025 AWPA Fall Technical Committee Meetings	253
Fall Technical Committee Meeting History.....	255

Other Information

AWPA Membership Application.....	257
Directory of AWPA Members	259
Membership Listing by Classification	271
In Memoriam	284
AWPA's 2026 Organizational Sponsors.....	285
122nd AWPA Annual Meeting Individual Contributors	307
Attendees of the 122 nd AWPA Annual Meeting	308
Annual Meeting History	311
Articles of Incorporation.....	314
By-laws of the AWPA	317
Refereed Publication Policy.....	321
AWPA Award of Merit Policy and Regulations.....	322
AWPA Officers and Committees, 2026-2027	324
Past and Present Officers and Executive Committee Members.....	325
Associations with Interests in Wood Protection	338
AWPA Publications and Order Form	341
Index	343
