MANY THANKS TO OUR SPONSORS!

Why should I sponsor AWWPA?

AWPA Sponsors are organizations that understand the value of AWWPA Standards to the Wood Protection Industry and to users of treated wood. They recognize that an open, consensus-based process is critical in developing reliable Standards that serve the needs of all interested parties. When organizations such as yours sponsor AWWPA, they provide financial support for the standardization process and help ensure our financial strength well into the future. AWWPA recognizes its Sponsors according to the level of each Organization's contributions. If you are already an AWWPA Sponsor, we thank you. If not, please consider becoming an AWWPA Organizational Sponsor in 2024.
